

Oreo Brickle Ice Cream Sandwiches

Ingredients:

1 regular package Oreo Cookies

1 package Heath Butter Brickle Chips

1 stick butter

1 container Vanilla Ice Cream 1.5 Qt

Instructions:

Crunch whole Oreos (with filling) into a large mixing bowl (I crunch each whole cookie with my fingers or a wooden spoon into 6 pieces or so and drop into bowl. You want the cookies to be in chunks but not crushed). Add Butter Brickle Chips and stir. Add melted butter and mix well.

Spray a 13x9x2 glass dish with nonstick spray. Pour half of the Oreo/Butter Brittle mixture into the pan and spread evenly. Scoop full container of vanilla ice cream on top and spread flat with a spatula or wooden spoon. Top with the rest of the Oreo mixture and spread evenly. Freeze for 4 hours or overnight. Cut into squares and serve on a dessert plate or bowl
