Frequently Asked *Questions*

BECOMING A FAADOM

- **Is Fellowship just for Office Management Professionals?**
No, while the designation is intended for active office management professionals, all dental business personnel qualify if they meet the requirements.
- **How do I begin the application process for the Fellowship Program?**
Become familiar with our Fellowship section of the AADOM website. The requirements, application and maintenance requirements can be found within this section of our site.
- **Do you have to be a member to submit CE for Fellowship?**
Yes, you must be an AADOM member to submit CE and to complete the Fellowship induction process.

CE AND REQUIRED COURSES

- **How many CE must I have accrued to qualify for Fellowship induction?**
You must have a total of 31 CE in a 24 month period leading up to the year you are being inducted. Please note that 16 of these 31 CE are accrued via passing the three DALE Foundation Modules.
- **How do I know which events are approved for Fellowship other than the recordings and conference?**
Any course that is designated as a FAADOM approved event can count toward Fellowship. All courses, live or recorded, found in our AADOM eCampus are eligible for CE towards Fellowship as well as local chapter meetings and all courses at our Annual Conference.
- **Do the CE's from my state association meeting count toward Fellowship?**
If your state association meeting is approved for PACE/CERP CEU, it can be applied toward FAADOM maintenance credits only. These CE may not be used towards induction requirements unless they are also FAADOM approved. We will perform random annual audits to ensure maintenance is up to date.
- **How do I obtain the CE code for an AADOM webcast?**
Existing AADOM members who register and watch an AADOM webcast, whether live or recorded, will have the CE automatically applied to their membership profile.
- **How do I determine how many CE's I've accrued?**
You can generate a report for your profile from the eCampus page on the AADOM website [HERE](#). Click on the Run My Report button. Enter your date range using this format D/M/YYYY, and then enter your member profile ID and submit. If you are unsure of your membership ID, please contact membership services at info@dentalmanagers.com.
- **I attended last year's conference but lost/do not have the codes, how can I obtain them?**
Attendance at the annual conference is tracked via registrations submitted by members. The CE will automatically be applied to member profiles upon completion of the event.
- **I am registered for this year's conference. Can I include CE from this year's conference to fulfill the induction requirements?**
Yes. Please note this on your application form. The CE from this conference will count toward your CE requirement. However, you still must have attended at least one AADOM conference prior to this current year in order to fulfill the conference attendance requirement.
- **Do I need to pass the DALE Foundation modules when I'm submitting CE for maintenance?**
No you only need to take and pass the DALE Foundation modules one time – for initial induction.
- **Do the CEs from the DALE Foundation modules count toward Fellowship induction?**
