

With a deeply rooted career in dentistry, Jennifer Z. Vickery combines her passion for patients with over a decade of dental management experience to serve as the Vice President of Operations for Ocean Dental, a dental service organization with 15 clinics across 6 states. As an inspiring cultivator of relationships, Jennifer uses transformational leadership to build confident leaders and tenacious teams. Jennifer actively supports Oklahoma and the dental community through service in several nonprofits. She is proud to be a founding board member for the Central Oklahoma Chapter of the American Association of Dental Office Management (AADOM), active member of Women in DSO, proud member of Leadership Edmond Class XXXVII, and served as the Chairman of the Leadership Institute for the Junior League of Oklahoma City. Jennifer is married to her Texas A&M college sweetheart, Tyler, and they have a 5-year-old son named Kyle, after Kyle Field.
