BECOME AN AADOM-RECOGNIZED **TREATMENT COORDINATOR**

Join us for a deep dive into the art of treatment presentation. Learn the coveted skills to confidently present even the most complex plans and elevate your practice's success with a heightened rate of acceptance.

Steve Anderson, founder of Crown Council and Total Patient Service Institute, has propelled dental teams nationwide to "Top 10% Performance" status with innovative patient service systems that make it easier for patients to say "YES" to treatment. His systems transform practices as well as the people in them.

Earn an AADOM-Recognized Treatment Coordinator certificate and 7 AGD/Pace-approved CEUs towards AADOM Distinctions.
